*Dates and fees subject to change. Be sure you have the most current course catalog and confirm important dates with your Success Coach before registering.

In the event that circumstances beyond the institution's control impact a published start date (e.g. natural disaster), the institution will establish a new start date within 72 hours of resuming operation and notify impacted parties. Prorated refunds will be calculated from the adjusted start date. (reg-KS).

Tuition and Fees

Tuition

Undergraduate: \$333 per credit (US citizens and residents), \$440 per credit (international)

Includes: course content, instruction, and online learning system access

Graduate: \$440 per credit

Includes: course content, instruction, and online learning system access

Technology Fee: \$25.00 (Quarterly)

Quarterly fee used to support technological upgrades and support.

Certification Fee (PTR courses only): \$199.00

Fee assessed to students enrolled in PTR courses.

Refunds

If cancellation occurs at any time within 7 calendar days after the institution accepts enrollment, the student may request a refund of all money paid to the institution.

Refund Calculation

1. The course start date is considered the first class.
2. Cancellation up through 60% of the duration of the term will result in a prorated refund. Rate is computed by dividing the number of term days through the date of cancellation by the total days in the term.
3. Cancellation after 60% of the duration of the term will result in no refund for the term.

**Note: If third-party payment is used for tuition (e.g., TA, Ch33 GI Bill®, etc.), this amount will be charged directly to the student upon cancellation.

Please see Lionel University Refund Policy section for more information.
